Decolonial Angles, Afghanistan and its Diasporas

Summer School
Leipzig University
27–29 August 2025
english&persian/dari

Four labs, one Summer School. a co-creating space where
academia, art, and journalism come together to explore
Afghanistan and its diasporas through decolonial lenses.

*A space for reflection, conviviality, resistance, and resonances.
A translation zone between memory, critique and storytelling.
Scholars meet. Texts speak. Silencing is broken.*

This is a collaborative research and publication project between Leipzig University
(Dr Kefa Hamidi) and the University of Bayreuth (PD.in Dr.in Mariam Popal).

A publication will follow in spring 2026.
