

# @BATHURST ST., MAKHANDA

## SOUTH AFRICA

The shopfronts in Bathurst Street, Makhanda (formerly Grahamstown), Eastern Cape, merge a colonial past with the present. Remnants of historical wooden door frames, stained glass, and the Observatory (which houses a panopticon-like camera obscura) mix with cell-phone kiosks and current signage.

# ARTIST LECTURE

**JEAN PAUL  
ART SPACE**

**Friedrichstraße 5,  
Bayreuth**

**July 9  
18:30-20:00**
